OUR EXCLUSIVE TAX PREPARATION SYSTEM

Fiducial offers a system of proven methodology for preparing the most complete and accurate tax returns. We prepare virtually all business and personal tax returns including federal, state and local. We also prepare sales taxes, payroll taxes and franchise taxes where applicable.

TAX PREPARATION AND PLANNING IS A THREE-STAGE PROCESS

At Fiducial, we believe that there is a lot more to your taxes than just filling in forms! We use a three-stage process:

- 1 We examine your tax situation and suggest actions to help you save taxes.
- 2 We prepare your returns so you pay the lowest taxes allowed by law.
- 3 We use the "after tax season" period for consultation, planning and review.

KNOWLEDGE IS THE KEY

With literally thousands of additions and changes in the tax laws every year, you need assurance that your tax professionals are up to date on all the changes affecting your taxes. Our tax experts receive continuous training on all federal, state, and local tax changes and put that knowledge to work for you!

EXPERT ADVISORY SERVICES

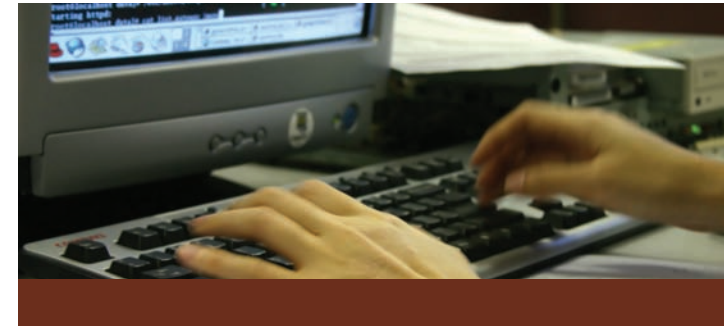

Our national network of CPAs, attorneys and enrolled agents are available year-round to answer any tax questions — including extended hours during tax season — so that we are never at a loss in knowing how to react to any set of circumstances that may arise!

UP-TO-DATE TECHNOLOGY

We offer the latest technology for preparation and filing of your returns — including offering electronic filing for the most accurate tax returns and the fastest refunds!

In addition, we utilize the most current online tax research tools so that no matter what comes up in your particular tax situation, our skilled professionals are never at a loss to advise the best course of action.

COMPLETE TAX SERVICES

We strongly believe that your taxes are not a once a year matter — our offices are open year-round to offer continuous tax advice and planning so that there are no unpleasant surprises come April 15! You have a right to expect more than just tax return preparation from your tax professionals. We know the best way to react to a tax situation is to have already considered and planned for it in advance!

We encourage midyear as well as year-end reviews, to analyze and respond to changes in your tax situation. Our knowledgeable professionals offer advice on the tax implications of any financial decision you may face.
